

Australian Tile Council (Victorian Division)

GOLF DAY 2010

The 2010 Annual Industry Golf Day was held at Rossdale Golf Club, Aspendale on Friday, 15th October.

It was pouring with rain when we arrived for breakfast and it was still pouring with rain when a large number of our members decided the warmth of the club house was more inviting.

To those diehards who struggled through to the end of the course, we salute you!
